

In second place was the already mentioned David Coote with 38 points and in third with 38 points was Derek Simes. Our two new members Steven Kremling and Greg Buckingham were well placed, too, bay as they were playing their first events they could not be classified. We look forward to their victories in the near future. Something makes me think we will not have to wait too long for these. Well played and welcome to Sant Jordi to both of them.
